

ACNS 2019

Bogotá, Colombia, June 5-7 2019

Call for Posters –

17th International Conference on Applied Cryptography and Network Security (<https://www.acns19.com>)

The conference invites to send posters presenting research works on cyber security. The poster session will be an interesting opportunity for students and researchers to present preliminary results, finished or ongoing thesis (graduated or undergraduate) and research works in order to get feedback from conference participants.

Poster submission

The poster should be sent in PDF format to jecamargom@unal.edu.co and sarueda@uniandes.edu.co with subject “Poster proposal to ACNS 2019”. The scientific committee will review the poster and provide feedback to authors, and if necessary, will ask the authors to make changes.

At least one author of an accepted poster should register for a 1-day pass at ACNS. A 50% discount will be offered to one local student author per paper.
